Homework Policy

In our school, we put the equal emphasis on reading, oral, learning and written homework.

The reasons behind homework are:

To re-enforce work carried out in class.

To encourage children to work independently, and

To establish study-habits in the children.

Homework will usually be given to every child Monday-Thursday but it does not have to be given every night. There will be no homework given on Fridays.

- Max. 10-15 minutes should be spent on homework with junior infants.
- Max. 15-20 minutes in Senior Infants.
- Max 20-25 minutes in Rang 1
- Max 25-30 minutes in Rang 2
- Max 30-40 minutes in Rang 3

These times should not be exceeded.

If for any reason, a child does not complete their homework, a note explaining the reason should be sent to the class teacher.

It is recommended that a parent / guardian sit with children in Infant classes during the homework period.

It is recommended that the homework is done in a quiet environment.

Homework or homework journals should be signed by a parent / guardian on completion.
