Mar thúspointe nua, tá sé i gceist againn coinneáil, buanú, fógairt agus ceiliúradh a dhéanamh ar an méid atá curtha i gcrích ón gcéad bhliain de Plean Feabhsúcháin Scoile 1.

As a starting point for our next Plan – we want now to announce, celebrate, keep & make permanent the huge amount achieved in the first School Improvement Plan.

Táimid anois ag tosú ar phlean Feabhsúcháin Scoile nua (PFS2).

An fócas don phlean seo ná Litearthact sa Ghaeilge. Beimid ag cur suirbhé ar thuismitheoirí chun a tuairimí a fháil – mar chuid den obair ar PFS2.

We are now beginning a new School Improvement Plan (PFS2).

The focus for this plan will be “Literacy in Irish”. We will be sending out a survey to parents, to get their views – as part of the work on PFS2.

Ar aghaidh linn onwards ☺
